Personal Accomplishments

Freelance } Jan 2020 - Present

- Successfully built a fully functioning website. The website is a News/Magazine website called EpicPulse Magazine under GoodfellasKenya.
- A news magazine Website: <https://epicpulseke.com/>
- A Portfolio Website: <https://goodfellaskenya.com/>
- My Portfolio Site: <https://larymak.netlify.app>
- Build a Netflix clone and deploy it in google firebase cloud. The link to the project => <https://netflix-clone-5589f.web.app/>
- Build multiple Projects which are deployed on my GitHub account repositories. Some of the projects I have completed include:
 - A chat-bot with python
 - A Notes-App with Html CSS and JavaScript
 - Django E-commerce website with Python
 - Craigslist Clone with python
 - A Corona tracking mobile App
 - A fully function Desktop Virtual Assistant like Jarvis

Trained Chef

Gaucova Outside Catering } Aug 2018 - Nov 2019

- Trained as a chef at Gaucova Outside Caterers, where I was able to learn how to cook different dishes and also got a chance to explore more on the catering field.

Computer Tutor

St Bakhita Computer College } Dec 2016 - Nov 2017

- During holidays I will help tutor students in computer lessons, this is due to my experience and exposure to computers from my time in high school.
- It made it easier for me to share my knowledge by teaching others.
